***AUTOWAVE***

***AUTOWAVE***

## DEVOTION

Autowave is devoted to providing a luxurious and high-quality software development experience. Fifty years ago Michigan was a hub for automobile development, and today we are dedicated to bringing a collaboration of minds to the Great Lake state with a local-based development team. With a 21st Century mindset, we are looking forward to providing top-tier websites, apps, and designs for clients.

## PERSONAS

Autowave Recruit : Potential new hire for the the Autowave team

New Client : Potential new client that may be interested in a website, app, or graphic design

Customer : Potential customer for our merchandise
